The T-shirt is great and I am wearing it as I write. I would like to order...a total of five items for \$83. This will not make you rich but it will give me pleasure to wear your logo. It's unlikely for me to make it through a day wearing your T-shirt without having at least one person making a comment about it (and this means total strangers). The truth is, I've only owned one T-shirt in my life that was even more of a conversation piece than yours. As you might have guessed, your T-shirt has become one of my favorites and I would heartily endorse it as recommended attire for a killer set of 20-rep squats. -- Randall Strossen, Publisher, "MILO: A Journal for Serious Strength Athletes" (Jul-30-93)

-- B.A., Missoula, MT

I love your training philosophy, but the quote applies to so much more as well! ... Thanks in no small part to you, I have outgrown my last Nietzsche Gym t-shirt and must order a larger size.  
-- W.S., St. Paul, MN

I am very interested in the items, unfortunately, the ones are too expensive for me in conversion to Polish currency. I shall be grateful for any help. -- M.Z., POLAND

[High Intensity Training] twice a week and I have a walker's club because of my sincere and deep belief in the benefits of 20-rep squats/dead-lifts and walking, for health. For too long Christians have taken care of the spiritual man and neglected the physical man (temple). We've made Nietzsche's motto a motto in our "Christian" gym. Ha Ha. -- Bro.
